

AbbVie AS Transparency Disclosure Methodological Notes for Reporting Year 2023

As a member company of EFPIA and LMI, AbbVie AS is committed to ensure that the nature and scope of transfers of value (ToV) with healthcare professionals (HCPs) and healthcare organisations (HCOs) are clear and transparent to the public. Therefore, AbbVie AS has published applicable ToV provided directly or indirectly to HCPs or HCOs for the 2023 calendar year.

This Methodological Note provides guidance on how AbbVie AS has recorded and publicly reported this information in accordance with the current editions of LMI Transparency Code.

Reporting period / Reportable ToV:

The AbbVie AS 2023 disclosure includes applicable ToV during the period between 1 January 2023 and 31 December 2023.

Transactions processed after February 16th, 2024, will be considered for the next report.

Transparency Acknowledgment from HCPs or HCOs:

Agreements between AbbVie AS and HCPs/HCOs relating to ToV may have included a Transparency section where HCPs and HCOs were notified of AbbVie's Transparency disclosure obligations.

Privacy Legal Basis for Disclosure:

HCPs or HCOs received correspondence explaining AbbVie's commitment to Transparency and the options and rights, they have in accordance with the data protection legislation.

Based on legitimate interests, AbbVie will publish the total value of the ToV for those HCPs or HCOs that have not made an explicit and justified objection honoured by AbbVie for individual disclosure. HCPs or HCOs for which AbbVie honoured an objection will have their amounts included in an aggregate amount published per LMI requirements. AbbVie's Privacy Notice at <https://www.abbvie.com/privacy.html> provides additional information on how AbbVie processes personal data and provides a description of the data privacy rights.

If an HCP would like to object to an individualised disclosure, he/she can do so in writing to AbbVie AS at finance.norway@abbvie.com.

Partial Disclosure:

AbbVie AB supports full disclosure, and it is not possible to request partial disclosure.

Multiple Licensed HCPs:

HCPs with licenses authorizing them to practice in more than one country, including Norway, may have ToV disclosed in multiple country reports.

Non-Duplication:

Whenever possible, ToV are disclosed to the respective HCPs. If ToV is provided to the company of an HCP, the ToV will be attributed to the company.

HCP/HCO Number of Recipients Reported at an Aggregate Level:

Each category of ToV reported at an aggregate level includes the number of HCPs/HCOs provided with a ToV. Each HCP/HCO that received a ToV is counted as one recipient in each category.

Cross Border Interactions:

Reportable ToV provided by AbbVie affiliates (worldwide) to Norwegian HCPs/HCOs have been included.

Sponsoring Payments Made to More Than One HCO:

In the case of sponsorship agreements where different HCOs have participated, it was assumed that each HCO received an equal share and was published for each HCO.

Pre-Disclosure:

During April 19th to May 11th, HCPs received correspondence containing the details of ToV to be reported according to LMI requirements. AbbVie's intention was to provide an opportunity for HCPs to verify and review the information to ensure it is accurate, prior to disclosure on June 28th, 2024.

Date Methodology:

AbbVie followed the date methodology when determining which ToV are in scope for current reporting cycle:

Event Date is defined as the date the expense occurred. ToV related to the following categories will use the Event Date when determining applicability for current year reporting requirements (e.g., did the event occur within the reporting period 1 January 2023 to 31 December 2023).

- Fee for Service and Consultancy: Expenses
- Contribution to Cost of Events: Registration Fees
- Contribution to Cost of Events: Travel and Accommodation

Paid Date is defined as the date the payment was provided to the covered recipient. ToV related to the following categories use the Paid Date when determining applicability for current year reporting requirements (e.g., did the payment occur within the reporting period 1 January 2023 to 31 December 2023).

- Fee for Service and Consultancy: Fee
- Contribution to Cost of Events: Sponsorship Agreements
- Grants and Donations
- Research and Development

Out of Scope:

Transfers of value that:

- i) concern only over-the-counter medicines;
- ii) take place within the framework of ordinary sale of medicinal products;
- iii) refer to veterinary products;
- iv) are related to free samples of medicinal products;
- v) are related to meals in a professional context at approved rates;
- vi) are related to ordinary information and marketing costs.

VAT:

Where applicable, disclosure of payments does not include VAT. Cross border ToV may or may not include VAT depending on the submitting source.

Social Benefits:

Where applicable, disclosure of payments does not include Social Benefits.

Withholding Taxes:

Where applicable, for services provided in locations outside of Norway, ToV amounts will be reported as in the contract agreement.

**Currency:**

All information is reported in NOK.

Exchange Rate:

Where ToV were captured in foreign currency, amounts were converted to local currency based on Monthly Average Rates.

Rounding:

For each HCP/HCO, ToV for each reporting category are rounded to the nearest NOK. The Total Amount for each HCP/HCO represents the sum of the reporting category amounts.

Multiyear Contracts:

Activities with ToV, crossing calendar years may have the contracted full amount disclosed using the date of last payment.

Research and Development:

For the purpose of disclosure, research and development (R&D) ToV are ToV to HCPs or HCOs related to the planning or conduct of:

- non-clinical studies
- clinical trials
- non-interventional studies that are prospective in nature and involve the collection of data from, or on behalf of, individual or groups of HCPs specifically for the study.

The total aggregate disclosure includes ToV made by AbbVie AS to HCPs/HCOs, as well as those made by its parent company, subsidiaries, and joint ventures (as required by the partner agreement).

Clinical trials with retrospective elements, including ToV direct or indirect to HCPs/HCOs, have been disclosed at an individual level as a fee for service.

Biological samples and investigational compounds will be excluded from R&D disclosures. These compounds are subject to provisions under the Clinical Trial Directive (their use is submitted in the clinical trial approval process).

Lending of laboratory equipment that is used exclusively for conducting a study and will be returned to AbbVie at the end of the study will not be disclosed in the R&D aggregate amount.

Post Publication Disputes

AbbVie will review and investigate disputes with HCPs/HCOs relative to our Transparency reports. Any changes resulting from this review will be published in an updated report.
