Title: Supplier Social Responsibility Survey

INSTRUCTIONS:

AbbVie is interested in obtaining information from its suppliers as it relates to social responsibility. Social responsibility is the manner in which a company advances business objectives, implements policies, applies social investment and philanthropy, and exercises influence to make a productive contribution to society. Suppliers that provide a manufactured good or service to AbbVie are being asked to complete this survey, all questions should be completed. However, if a question does not apply, please mark it NA (not applicable).

Please note that as a result of the answers you provide, AbbVie may:

1. Request information to support your answers.
2. Request a teleconference to discuss your answers.
3. Schedule an audit of your facilities.

If you are not the appropriate person or do not have sufficient information to complete this survey, please contact AbbVie via e-mail at: AbbViePurchasing&SupplierManagement@AbbVie.com
